

03rd June 2025

**Service Letter - Mr. A.S.S. Amugoda**

Paraqum Technologies is a privately held limited liability company primarily engaged in the design and development of specialized equipment for network Intelligence and Control. Additionally, we carry out electronic design services work related to custom processors, VLSI design, Hardware acceleration and video broadcast accessories with overseas clients.

Mr. Anjana Sayuru Shenal Amugoda, holder of NIC number 200126701810 was an Intern - Network Analytics at Paraqum Technologies (Pvt) Ltd from 04th December 2024 to 03rd June 2025.

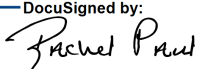

Sayuru carried out multiple tasks, including the following main tasks, during his period at Paraqum Technologies (Pvt) Ltd.

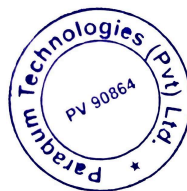

- Conducted a latency calculation study using Traceroute.
- Modified and integrated Alerting Node for the Flow Analyzer.
- Detected insecure communication by identifying plain text in network traffic.
- Reorganized and separated the reporting functionality of the Flow Analyzer.
- Integrated the report automation module into the Flow Analyzer.

Sayuru carried out the tasks assigned to him with enthusiasm and dedication. He interacted well with his team and made positive contributions to achieving the team's periodic goals.

I extend my best wishes for his professional pursuits. If further information is required, please contact the undersigned.

Yours faithfully,

DocuSigned by:
